January 2025

Dear Valued Patients and Friends,

We have some exciting news about our practice! We are thrilled to announce the addition of Dr. Kelsey Greene to our practice as the new lead dentist moving forward. Dr. Greene possesses the highest qualifications and is extremely skilled in all phases of dentistry. I have spent time getting to know Dr. Greene over the past few months and have found her to be a kind, caring person with strong moral standards, who will serve your dental needs with the same excellence and consideration that she would provide her own family.

Dr. Greene brings a wealth of knowledge and skill to our practice. Originally from Virginia, Dr. Greene received her undergraduate degree in Biochemistry from Roanoke College. She earned her Doctor of Dental Surgery (DDS) degree from Virginia Commonwealth University School of Dentistry and went on to complete an advanced training residency at the Washington DC Veterans Affairs Medical Center. Dr. Greene has excellent skills in complex cosmetic, restorative and surgical dentistry.

Prior to joining our practice, Dr. Greene practiced in Burleson for several years as an associate dentist. She prides herself on delivering the best, most compassionate dental care to each of her patients. Dr. Greene and her husband Michael live in Mansfield with their (almost) 2-year-old son. We are looking forward to bringing her passion and enthusiasm to our practice.

As Alice and I travel more and visit grandkids in the future, I am confident that with Dr. Greene's advanced training, and my mentorship, the practice will continue to offer the highest level of care. Also, you will be happy to know that I will continue to work at the practice with Dr. Greene for the foreseeable future, albeit on a more part-time patient schedule. I'm excited that all of our wonderful team will remain as familiar faces at the practice as well. Dr. Greene and I look forward to seeing you at your next visit as we continue to provide outstanding service to you, our valued and loyal patients.

Please welcome Dr. Kelsey Greene!

Sincerely,

A handwritten signature in black ink, which appears to read "Stephen W. Ratcliff, DDS". The signature is fluid and cursive.
